

South Glamorgan Centre
New Year Rally 2008
Radyr Comprehensive
School
Cardiff

Monday 29th December – Thursday 1st January

Celebrate the New Year at this new venue for the centre. We have worked extremely hard to secure this venue on your behalf, and I'm sure you will find the site and hall to be used, one of the best we have found at any school site used in the past.

The Maximum cost will be £50.00 per van for the duration of the rally, irrespective of the number of nights attended, and will include a buffet on at least 1 night with a gala buffet on New Years Eve.

Please include on your booking slip, or attach a separate piece of paper anything you wish to have included on the rally, i.e. dance lessons, centre entertainment, water aerobics, etc. We will go with the majority, and we will try to include it in the program of events.

All vans will be sited on hard-standing (Blocks will be required to save any damage to the tarmac) and away from the view of the general public. Sadly no electric hook up's can be provided.

If more than 2 adults per van a surcharge may be made as with less than 2 adults a reduction maybe made.

The cost of this rally as been deliberately kept to a minimum and is held at the same price of our last New Year Rally held in 2006

We have the use of the Hall for all 3 nights, Monday & Tuesday until 11.00pm and New Years Eve until 01.00am.

We require a minimum of 20 vans to attend so if you are interested please could I have a slip together with a deposit of £15.00 to secure the venue asap but no latter than

So please support the centre at this new venue.

We can take at least 50 vans and the Hall is adequate to accommodate in excess of 150 people.

30th September 2008 if we don't make the minimum your deposit will be returned. Final payment of the balance is required by **30th November 2008**

As an Added bonus we have also secured the use of an indoor heated swimming pool for 4 sessions during the rally, which is at no additional cost and I can ensure you all this must be the best school pool available. You will also have the use of the showers whilst the pool is open.

The programme will be available early October, which will follow New Year Rallies held in the past.

Depending upon numbers, member's guests may be allowed on New Years Eve and a small charge will be made. Please indicate when booking the number of guests that may attend.

I look forward to hearing from you soon
John White
